BAR HILL NEWS

October 2013; Issue 541

DO YOU ENJOY READING YOUR BAR HILL NEWS?

Would you like to help with its production?

Our village magazine is printed and delivered every month except January, and we hope it provides a useful service to Bar Hill. It is produced entirely by volunteers and we are most grateful to all who help in any way. However, from time to time we need more help, as some of our regular team become unable to continue for one reason or another. **Now is one of those times!** We need people to help with printing, collating and delivery:

Printing: the magazine takes about 15 hours each month, and is currently being done by one volunteer. It would be good if we could find more people to learn how to do this. It's relatively simple and training will be given. Printing can be done during the day or the evening, at the Parish Council offices.

Collating: 100 copies of the magazine takes about an hour, using an electric stapler which we provide. The copies will be delivered to you and we usually ask you to pass them on to someone else in the village for delivery, although we can arrange to collect them if necessary. We currently have enough regular collators but need more people on the reserve list to cover occasional absences.

Delivery: is usually to between 40 and 70 houses. We currently need deliverers in The Spinney, Gladeside & Robin Close, and Watermead.

We also need people willing to deliver on an occasional basis.

And finally I'd love to hear from anyone who would be willing to share the task of distributing the magazine to collators and deliverers with me. This involves a lot of counting out copies and four or five journeys round the village to take them to collators and deliverers.

Thank you very much – I look forward to hearing from you.

STORYTIME AT BAR HILL LIBRARY

Stories and pictures, rhymes, songs and craft activities.

10.30 am at Bar Hill Library

Second and Fourth Saturdays in October – please note these dates; some parents arrived on the wrong day in September because the second Saturday was well into the month.

Storytime is continuing as we move into autumn and on to winter. Open to children of pre-school age and their older brothers and sisters who are accompanied by an adult, it offers half an hour of book-based enjoyment twice every month.

Often there is a theme – we have featured the weather, rabbits and things that go wrong recently, exploring those with stories, songs and craft activities. The children have enjoyed making music, colouring pictures, and have constructed rabbits' ears and weather charts for themselves.

This free event opens up the treasure that books present, introducing young children to their local library and revealing to them all that is to be gained from learning to read. There is no need to book; just come along.

Tesco is bringing in a company to **collect abandoned shopping trolleys** from around Bar Hill.
There will be a dedicated phone number once this happens, but meantime you can call **01954 240166.**
Please give accurate details of the trolley's location.
Once the dedicated number is available, it will be published in your Bar Hill News.

The Objectives of the Association are to act as an intermediary between Residents and other parties, to keep residents informed of matters of importance and recreation in and around the Village, and to promote the interests of Bar Hill. Opinions expressed in this publication and not necessarily those of the Association. Anonymous letters will not be published, but names and addresses may be withheld. However, these may be made available should a written request be received. ADVERTISING

All matters relating to advertising should be addressed to the Advertising Coordinator bunty.waters@ntlworld.com. Quarter-page adverts cost £15.50 per month and must be submitted by the 1st of the month prior to inclusion. Maxi ads (£8.50 per month) and Mini ads (£5 per month) should be submitted by 15th of the month prior to their inclusion. Sizes: Maxi: 6 x 4.5 cm – 9 x 6 cm; Mini: 6 x 2 cm – 6 x 4 cm. Quarter-page ads are for local businesses and we guarantee publication, but this often results in a waiting list. To help overcome this, we provide maxi and mini ads which appear throughout the publication. We cannot guarantee their inclusion, though, due to restrictions of space.

– PHIL STEVENS –
FOOTBALL/AUCTION CHARITY DAY

We would like to extend a massive thank you to everyone who supported us on Bank Holiday Monday to make this event so successful. It was amazing to see so many people. The football matches were all played in good spirit despite some players suffering after-effects from the night before!

It was truly a fantastic day in memory of an amazing man. It was such a success that we have had requests for a repeat next year so watch this space!

The grand total raised on the day from the football, BBQ, cake stall, raffle and auction was nearly £2000! This money will be split between Cambridge Pancreatic Cancer Care, MacMillan and Cancer Research UK.

The support, help and generosity that the community has given us since Phil was taken ill and sadly passed away is overwhelming.

Thank you, thank you, thank you...

Rebecca, Ryan, Hayley, Hannah, Emily and Sam

Dear Editor

In his September report, John Reynolds tackled the issue of fracking and the process any planning applications for drilling in Cambridgeshire have to go through before approval. He gave a detailed overview of the planning process and in so doing, gave the impression that the final say will lie with the County Council. This is not the case. It will lie with the Government.

WALKING FOR HEALTH WITH BAR HILL WALK GROUP

Lots of us wish we did more exercise. We know it's good for us. And we know our health's important. But it can be easy to find excuses for not actually getting out there and doing it.

Walking is truly accessible – almost everyone can do it anywhere and at any time. It won't cost you anything and you don't need fancy equipment to hit the pavement. A pair of suitable shoes, which you probably have anyway, comfortable layers of clothing and away you go.

You can take things at your own pace, starting slowly and building up gently. It's wonderfully social too, even making some new friends along the way.

The Bar Hill Walk Group, started through the PPG, is now in its third year. We meet regularly by the Memorial Gardens to leave at 10.30am on the first Thursday and third Wednesday of every month. The walks last up to one hour, with a point to turn back if you so wish, finishing at the Library for coffee. Allow 10 minutes before your first walk to fill in a basic Health Questionnaire. The walks are lead by trained walk leaders and supported by The Ramblers and MacMillan Cancer.

You can find more details on www.walkingforhealth.org.uk/walkfinder or contact one of the co-ordinators locally: Patricia Daniels 07919 874402; Josephine Powell 07901558108; or see our notice on the Parish Notice board/Library, for our programme.

BAR HILL CHURCH HOMEGROUPS

At Bar Hill Church we have six small groups who meet regularly both weekly and fortnightly, with a mixture of evening and daytime meetings. We hope that the groups facilitate discipleship, mission, fellowship, evangelistic outreach and pastoral care. We study a variety of popular biblical material; recent studies have included bible studies on the books of Romans and John as well as deeper insights in to the topics of prayer and worship. This year the groups also studied the television adaptation of 'The Passion of Christ' during the period of Lent. The current topic of study is 'praying through the Psalms'.
If you are interested in joining in the fellowship of a small group within the village please contact me at the Bar Hill Church office to discuss placing you in a suitable group.
With Blessings in Christ

MUCKY PUPS

BRING YOUR OWN CRAFT GROUP

The group meets on a monthly basis on a Saturday afternoon in the Worship Hall. It was started to provide an opportunity for us to spend a quiet couple of hours working on our craft projects in good company, since we often find that we have too much to do at home to feel able to devote much time to our creative hobbies, despite the benefits we derive from them. We usually leave feeling much more relaxed than when we arrive, with the added satisfaction of having made progress on our individual projects.
Group members bring a variety of crafts to each session including jewellery making, knitting, crochet, patchwork, cross-stitch, embroidery, painting and card making.
We are always happy to welcome new members whether they are experienced crafters or just interested in trying something new, so do feel free to come along to one of our sessions. Remember to bring the materials and equipment you will need for your craft project – we will provide the company and the refreshments.
We ask for a donation of up to £1 to cover the costs of refreshments and the use of the hall. We meet between 2.30–5pm in the Church.
We will be meeting on 26th October and our Christmas All Day Event will be on 23rd November.
For more details contact either Wendy 01954 782041 or Sue 01954 200875.

BAR HILL CRICKET CLUB

Phil Orvis, Scott Stanford and Muhammad Iqbal ensured Bar Hill ended the season on a high note with some notable victories.

Orvis took three wickets and Stanford scored an unbeaten 84 to steer the firsts to an emphatic eight-wicket win over Wisbech III.

The visitors were restricted to 124 for 9, and Bar Hill needed only 15 overs to reach their target thanks to Stanford's big hitting.

Iqbal was in equally imperious form against Cambridge St Giles II, finishing on 88 not out as Bar Hill reached 201 for 5 in the 32nd over. Steve Holt earlier took three wickets as St Giles made 198 for 9.

The seconds finished with a thrilling four-wicket win over Willingham II as darkness closed in.

Orvis was the hero with an unbeaten 90 and Pete Stockton made 38 as Bar Hill reached 217 for 6 with seven balls to spare, in response to Willingham's 215 for 3.

The firsts finished in fifth position, within a point of the promotion places, having won 10 and lost five matches, with two rained off.

The seconds were just below mid-table, having got off to a bad start by losing their first four matches, and also having to default twice. However, they won the last six matches when they took the field to end with six victories and six defeats, with one rained off.

The end of season presentation night is at the village hall on the evening of Saturday 19th October, when the season's award winners will be revealed. Any members wishing to buy tickets in advance, please contact me on the number below.

Please visit our website at www.barhillcricket.org.uk for all the latest news over the closed season, including winter practice sessions for both adult and youth members.

– NEIGHBOURHOOD WATCH –

TWO THINGS BURGLARS KNOW ABOUT YOU

1. *Most people 'hide' spare cash and valuables in:–*
   - the sock drawer,
   - the wardrobe,
   - a DVD case.

   So that's where burglars look first (and similar places). On the other hand they rarely bother to look in the kid's bedroom.

   ACTION: make life a bit harder for thieves by choosing less obvious places to conceal things.
2. *We are easily distracted*

   Juggling bags, umbrella, children etc and have I got my glasses? When going out we can easily forget to lock the front door. So a burglar will always try your front door (and back) just in case.

   ACTION: Stop! Think! Every trip.

FRIENDS OF BAR HILL LIBRARY

Survey

At the time of writing twenty people have responded to the survey sent out in August to past and present Friends. The committee is very encouraged that so many value the service provided by our Library and have thought about what it might offer in future. Lots of ideas that will be thought through over the coming months were put forward. Thank you to all those who replied.

Wait for it ...

The annual meeting of the Friends was held at the end of September, so if you were not there you will have to wait until next month to find out what the plans for the forthcoming year are. One thing we do want to make changes to is our publicity. Those of you reading this seem to be in a minority; a lot of people say they do not know about our events although we tell the village about them month by month in this newsletter.

Coffee in the Library

We are delighted to see regulars and newcomers alike at our monthly coffee mornings. The next opportunity to meet is from 10 a.m. to noon on 7 November, and there will be another on 5 December.

BAR HILL'S LOCAL GLIDING CLUB

Bar Hill Is fortunate In being only 15 minutes from one of the country's premier gliding clubs, and has several village residents who are club members.

Gliding is a form of flight that is both beautiful and exciting. Nothing can quite match the thrill of flying silently, giving a birds-eye view of the countryside of Cambridgeshire, Bedfordshire and beyond. Gliders from Gransden Lodge Airfield can fly two or three hundred miles on a good day.

Gliding is a sport that is genuinely open to all. The club has members who learn to fly from the age of 14, through to those who take up the sport on retirement. It's an exciting and sociable way to learn to fly, and it's a sport which provides an opportunity to keep on learning. It's not difficult – if you can drive a car, you can almost certainly learn to fly a glider. Training is available during the day seven days a week in the summer, and several evenings. If you are interested in learning, we'd love to see you at the club. Come and have a look round. Give the club a call on 01767 677077, and we'll arrange someone to show you around.

See www.glide.co.uk for more details.

OCTOBER BULLETIN FROM CAMBRIDGESHIRE FIRE AND RESCUE SERVICE

WINTER is coming, and Cambridgeshire Fire and Rescue Service is encouraging all residents to sweep their chimneys before the cold sets in. Our top tips to enjoy an open fire safely:

- Have the chimney swept at least once a year, or more frequently if you burn wood.
- Do not bank fires too high and remember to let them burn down well before you retire to bed.
- Check the hearth, floor and furnishings near the fire for hot sparks or embers before you go to bed.
- Use a fire or spark guard to prevent accidental fires and make sure that it has the kite mark or conforms to a relevant British/European safety standard.
- Do not place objects on or over the mantle-piece which may cause you to stand too close to the fire to reach or use them.
- Inspect your chimney breast regularly – particularly in the roof space – to ensure that it is sound and that sparks or fumes cannot escape through cracks or broken bricks.
- Avoid burning resinous woods as soot builds up quickly.
- Buy only suitable fuels.
- Do not overload the grate or appliance.

Above all, ensure you have a working smoke alarm fitted on each floor or your home. This will give you give you an early warning to a fire, allowing extra time for occupants in the home to escape.

Like our fan page on Facebook: www.facebook.com/cambsfrs, follow us on Twitter @cambsfrs.

To find out if you are eligible for a free home fire safety check, call 0800 917 99 94.

1ST BAR HILL BEAVER SCOUTS

What an exciting term for the Beavers! Our meetings are themed around our promise and challenge badges this half term, so activities are many and varied.

By the time you read this, we will have built towers with spaghetti and marshmallows, decorated and shared cakes, been on a Teddy Bears' picnic with other Beavers in the District, joined in Harvest Festival celebrations at the church and all tried our hands at punting up the River Cam – with our new Beavers making their promise en route! Grrrr!

Our Jungle Sleepover will be held this month, when we have to rescue all our kit and supplies from some very naughty monkeys, then use it to meet challenges, do craft activities, play games and even cook our own supper over a fire built by the Beavers.

Once it's really dark, early in November, we'll be off exploring more locally on a night hike, with the Beavers choosing their own route in a rather special way...

Our colony has grown rapidly this year so we are in urgent need of more adults to help run it – could *you* be one of them?

Find out more by giving Debbie or Andy a ring on 01954 719345 or e-mail debbiegloverbeavers@live.co.uk.

COMBERTON RAMBLERS

Our members come from many local villages and from within Cambridge itself. Join our friendly group for wonderful walks. Give us a try – you'll have the benefit of an exhilarating walk plus the companionship of a group of like-minded people. Membership is £7.50 per person for the year and under 18s are free. REPORT TO PARISH COUNCIL OCTOBER 2013

REPORT FROM YOUR COUNTY COUNCILLOR JOHN REYNOLDS.

Winter Gritting: Cambridgeshire County Council currently treats over 40% of the road network, prioritising the most strategically important routes such as A & B roads and links to A&E hospitals or other emergency services. You can see full details of these routes and our prioritisation on our website at http://www.cambridgeshire.gov.uk/transport/roads/winter/grittingroutes.html.

The county's gritting routes are based on keeping Cambridgeshire moving and, as part of this aim, we undertake an annual review and are asking for your comments or proposals for changes to our routes.

You will find a form at above address which will allow you to give your views. Completed forms will be reviewed by the Network Management team and any approved changes will be published on the website.

Recent meetings attended: Parental School Transport Appeals; County Staff Appeal; two meetings of the Ethics Committee; Audit Committee of the Eastern Shires Purchasing Organisation; Safer and Stronger Communities Overview and Scrutiny Committee; Planning the County Planning Committee.

Attended: Pension Fund Committee; District Councils Planning Consultation meeting; Enterprise, Growth and Community Overview and Scrutiny Committee.

Members attendance on line: Councillor attendance figures are now being published on the Council's website on the following page; http://www.cambridgeshire.gov.uk/council/democracy/represents/.

This information will be updated and published on a monthly basis. Member attendance is published by a large majority of local authorities and is the kind of information often requested under the Freedom of Information Act.

How to keep in touch: Many of you receive a more detailed monthly email on my work as your county councillor. By sending your email address to j.e.reynolds@ntlworld.com, I can add you to my list.

Registered Charity No. 1030125

Village Hall 01954 782892

Our ethos is to ensure high quality care by focussing on each child's ability and interests. Our key person and buddy system enables our team of highly qualified staff to plan activities to reflect the needs of all the children.

We offer fully flexible care between 9am–3pm, for children aged 2–5yrs and are registered for Nursery Education Funding (NEF) as well as the new government scheme 'Funded 2's'.

The extended outdoor learning environment provides opportunities from growing fruit and vegetables for our snack bar to discovering worms, ladybirds and other creatures that share the setting. We are proud to offer many additional learning experiences for your child with regular visitors to the setting as well as exploring the community around us. The setting is intimate and comfortable and provides a safe environment for your child to learn and develop with their peers. The indoor area has a quiet corner for reading as well as a range of toys and equipment for your child to discover. We have strong ties with the community through visits to local businesses, the library and the church.

Parent/Carer Partnership

To fulfil our commitment to meeting children's individual needs we use communication diaries as part of our outstanding parent/carer partnerships. Please contact us on the above telephone numbers or: enquiries@barhillpreschool.co.uk.

Our setting manager as well as session allocation coordinator, Sarah, and her deputy Michele are always on hand to support you through the registration process. We look forward to meeting you and your child.

WILLINGHAM SURGERY has purchased a new examination screen for the nurse's room. We think the screen it replaces came from the old Mill Road Maternity Hospital. If any amateur dramatic society would like this 'antique' for their props, please contact us. It has been cleaned! 01954 260230.

COUNCILLOR CHAT

The long-awaited announcement on proposals for the A14 upgrade has been made: http://www.highways.gov.uk/roads/road-projects/a14-cambridge-to-huntingdon-improvement-scheme/.

A series of public exhibitions has been organised, including:

Bar Hill Village Hall, The Spinney, Bar Hill, CB23 8SU (staffed) Tuesday 1st to Wednesday 2nd October 2013, 1100 –2000.

A14 Cambridge Services, CB23 4W (staffed) Tuesday 1st to Saturday 5th October 2013, 1100 – 2000.

If you can get along to one of these, do give your comments. There is an informal consultation period during September and October. 'Informal', proposals can still be changed before they go to 'formal' consultation. Your input matters! Changes will have considerable impact on communities that rely on the A14 west of Girton, so it really is important to give your feedback.

One of the major problem areas on the current A14 is the Huntingdon viaduct which is crumbling and needs very expensive replacement. The 'solution' adopted is to dismantle the bridge and not replace it. A 'through route' through Huntingdon will be provided. This will improve air quality along the old A14 route – no mention is made of the effect on air quality through Godmanchester and the Huntingdon Ring Road).

Highways Agency point out that if they replaced the viaduct too much traffic would avoid the tolled A14. Local residents wishing to go from Swavesey to the north, south or west must choose between paying a toll and going south on the A14(M) at Swavesey, or continuing on the old A14 and crawling through Godmanchester to the Brampton or Spitalls roundabout. This is the biggest change in this new proposal.

There are concerns about local access road arrangements. The original proposal was that local access roads would be two lanes in each direction; this has now been reduced to one lane between Fen Drayton and Girton.

A14 Dry Drayton intersection will be closed, but there is no mention of whether the local access road will still connect to it.

A scheme to widen the Girton to Histon section to three lanes has already been approved. The proposal wishes to extend this as far as Milton (but not to Fen Ditton as under the earlier proposal)

South Cambs Councillors help people back into work & support education

At a Cabinet meeting on 12th September, it was approved that the Discretionary Housing Payment policy which Cllrs said will target resources where they are most needed, and give young people at key stages of education a better chance of fulfilling their potential. The Council will consider applications for rent top-ups to families who have seen benefits reduce as they are deemed to be under occupying their home, following national welfare reform changes in April, and have children in key stages of education – such as studying for GCSEs.

The number of people claiming housing benefit has fallen and is at its lowest level since 2010. The £151,000 funding pot available from government will also be used to help prevent homelessness. This will help reduce the Council's temporary accommodation bill.

Any queries: Your District Cllr can be contacted on Cllr.waters@scambs.gov.uk 01954 201421 or 07734 690580; Cllr.hall@scambs.gov.uk 01954 780304.

A14 Improvements
As part of an informal consultation, the Highways Agency is holding a Public Exhibition to advise local residents about the A14 Cambridge to Huntingdon improvement scheme. This will be held in The Village Hall on Tuesday 2nd October between 11am and 8pm. If you have questions please take the time to visit the exhibition.

Litter Picking Day
This will be held on Saturday 26th October. If you would like to help keep your village tidy please pop along to the office at 10am where you can get litter picking sticks, gloves and black bags. This is normally a very successful day and it would be good for you to make a difference to your community.

Tom Flanagan
Most of you will remember Tom, who lived in the village until his sad death last year. He was an active member of the community, standing for District Councillor and Parish Councillor for many years. The Parish Council has received £1,000 from his family, to be spent on tree planting in the village. We will endeavour to bring about his final wishes and this will also be a memorial for him and the work he did for the village.

Parish Council Meetings
The next Parish Council meeting will be on Thursday 17th October at 7pm in the Parish Council Office. All members of the public and press are welcome to attend. There is also an Open Forum at the start of each meeting for residents to put their views across.

– SING AND SIGN –

...is designed especially for all babies and toddlers, deaf or hearing. Signs are mainly based on Makaton, which are the easiest for babies to understand and copy with their tiny hands. Class sizes are strictly limited to 12 babies, so that the teacher can give each child and carer the learning support that they deserve.

Parents and carers bring babies generally from six months old to 'Sing and Sign' classes and feel the benefit of starting early. The adults learn the signs in a fun way while the babies enjoy the singing and music. Older babies and toddlers can also start at any age up to around 24 months and enjoy the fun and interactive aspects of the classes. Stage 2 classes for toddlers are more physically active and teach signs for age appropriate topics.

Baby signing helps to avoid the dreaded tantrums by enabling your baby to tell you what they want! As they become toddlers and start talking, the signs continue to help them to be understood while they improve on the clarity of their speech. This all helps to advance speech development; toddlers who have used baby signing commonly have a wider vocabulary than their peers.

Free Taster sessions are available. Classes run termly in Bar Hill and at other venues around Cambridge. For more information about 'Sing and Sign' visit www.singandsign.com and click on the Classes link. You can also email singandsigncambridge@yahoo.com or call/text 07732 380191.

BAR HILL FOXES ENTER THE LIONS DEN

Bar Hill Foxes (Under 11s) entered the Cherry Hinton Lions annual football tournament and got some great experience at their new 9 v 9 format. The first game against a good Alconbury team was a baptism of fire. Bar Hill struggled to get out of their own half, but a good defensive display from Joe Playle, Freya Goddard and Archie Peterson kept it level until one mistake led to Alconbury scoring the only goal.

The game against Milton was another close one finishing 1-1. The Foxes showed more going forward and scored a great goal by John Cornwell after a good pass from Jack Hilsden . Although Bar Hill finished the stronger team, they still needed a great performance from Miles Harvey in goal to keep it level.

The game against Cherry Hinton was a physical one that finished 0-0. Ollie Andrews showed some great individual skills to create chances for the Foxes, but they just couldn't convert them. Kaz McRobbie showed some good touches on the opposite wing.

Burwell Swallows went on to win the tournament, but a fine team display from Bar Hill made them look ordinary. A battling midfield display from Kai Todd-Johnson and Charlie Parker limited Burwell to few chances - only a fine individual goal was the difference in the end for Burwell to win 1-0.

Thornley had started the tournament well, but another good team performance meant Bar Hill were on top for most of a game that finished 0-0. The Foxes could have won it late on when John Cornwell, playing in an unfamiliar role on the right wing, made a great run only to shoot the ball just wide.

A great day and in which the Foxes grew in confidence throughout.

Bean ragù with leeks, rosemary and garlic crumbs

A quick, easy, warming vege midweek supper.
Serves 4.

Ingredients

1 tablespoon olive oil
500g leeks, trimmed, washed and sliced
salt and freshly ground black pepper
2 x 400g tins beans, e.g. **borlotti**, drained and rinsed
2 sprigs rosemary
500ml vegetable stock
200g sliced stale bread, crust removed
40g butter
2 garlic cloves, finely chopped

Preparation method

Heat a large pan over a medium heat. Add the oil, leeks and a pinch of salt and gently fry for 5-8 minutes, or until leeks are soft and translucent.

Add the borlotti beans, rosemary sprigs and stock to the pan. Stir, cover and bring to a simmer. Cook over a medium-low heat for 20 minutes, till ragù is slightly thickened and the beans are softened.

Meanwhile, tear the bread into small pieces. Heat a large frying pan over a medium heat, add a knob of butter and, once melted, gently fry the bread in batches until golden-brown and crisp. Remove from the pan and set aside. Add the bread back to the pan with a little more butter and the garlic. Fry until the garlic is just cooked and breadcrumbs are crunchy. Season with salt and pepper to taste.

Season the ragù; remove the rosemary sprigs and serve with the garlic crumbs sprinkled on top.
